At a meeting of the Town Board of the Town of Amenia (“Town Board”) held at the Amenia Town Hall on the 16th day of March, 2017, at 7:00 p.m., Supervisor Perotti, seconded by Councilwoman Hitselberger, moved the following Resolution;

WHEREAS, pursuant to Section 806 of the Town of Amenia Employee Handbook adopted by the Town Board by Resolution on February 14, 2013 (“Employee Handbook”), medical insurance coverage is available to each full-time or part-time employee, excluding temporary and seasonal employees, and each elected official of the Town of Amenia, and their eligible family members; and

WHEREAS, Section 806 of the Employee Handbook further provides that, “[t]he amount of the insurance premium an employee or Elected Official is required to contribute is established by resolution of the Town Board”, that such amount “may be stated as a specific dollar amount or as a percentage of the premium cost”, and that “[c]ontribution amounts are subject to change by resolution of the Town Board”;

NOW, THEREFORE, BE IT RESOLVED:

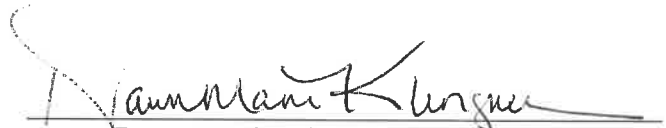

- (1) That the Town Board hereby determines that establishment of the amount or percentage of the medical insurance premium cost required to be paid by a Town employee or a Town elected official is a Type II Action under the New York State Environmental Quality Review Act (“SEQRA”) and, therefore, is exempt from environmental review; and
- (2) That any Town employee or elected Town official who works more than 20 hours per week, and who is eligible to receive medical insurance through the Town, and who elects to receive such insurance by proper completion and proper submission to the Town and the insurance carrier of the Town of all required forms and information, shall be required to contribute to the cost of such medical insurance by timely payment each and every month, or as otherwise specified by the Town and/or the health insurance company, as follows: Twenty-five (25) percent; and
