**Subject: MONTHLY REPORT**

- We have completed and sent in the second quarterly report to New York State Homeland Security and Emergency Services for the Report Period of January 1, 2020 to March 31, 2020. For the "BANK STABILIZATION OF DEEP HOLLOW ROAD PROJECT".
- We have been grading dirt roads.
- The department continues to follow the guidelines for the Coronavirus.
- We have installed the last dog station down at Wassaic Park.
- With Mondays wind/rain storm, we had two branches fall on to power lines that left live wires on the ground. Railroad Avenue was closed and NYSEG responded quickly.

**Status on new truck:**

The new truck is still at Hudson River waiting to be completed because of the shortage of employees due to the Coronavirus.

Thank you.
