Date: February 20, 2020

Subject: Monthly Report

Recently, we replaced and updated more road signs and plan on completing the rest by the end of the year.

We continue to work with the weather to maintain our dirt roads on cold mornings grading any areas, adding stone as needed and filling in pot holes as well as working along road sides cutting brush.

We are repairing trucks and servicing equipment.

The RFP (Request for Proposals) for engineering services for the *Town of Amenia Bank Stabilization at Deep Hollow Road* project is complete and will be going out for bids.

Thank you.
