Subject: MONTHLY HIGHWAY REPORT

- We have been busy trying to keep up with things under Covid-19 regulations. The Department continues to follow guidelines for Covid-19.
- We have been on Cascade Mountain/Flint Hill cleaning out all ditches and culvert pipes.
- Last week we worked on getting all the Town roads mowed.
- This year I plan on blacktopping the rest of Depot Hill and Prospect. I plan on doing this using the OGS QUICK QUOTE as we have done in the past. I am waiting for three price quotes to come back. All this depends on the outcome of the CHIPS/PAVE NY FUNDS. We have not yet received a letter confirming funds.

Status on new truck:

The new truck finally has been completed by Hudson River and we have been putting it to work.

Thank you.
