Subject: Monthly Report

- We have been continuing to chip brush along the road sides.
- Worked with Lee's Tree Service taking down some trees that were unsafe.
- Garbage – We worked a couple of days picking up garbage along our roadways.
- We have been out sweeping our intersections.
- Hopefully, we will be sweeping our roads and grading our dirt roads soon.

Our 2000 Ford 550 was put into Auctions International and sold for a price of \$1,525.00. I have also contacted Southeast Auto Recycle, Inc. in Wingdale, New York. They gave me a price of \$200.00 for the truck.

I believe we should accept the bid for \$1,525.00. As we know, this truck is unsafe.

Our 2020 replacement truck has come in and currently is at Hudson River Truck and Trailer getting the body and plow put on. The truck should be done soon.

Thank you.
