

# Career Day/Job Fair

## Save the Date!

**Date:** April 25th, 2023

**Time:** 8:00-10:00

**Location:** Webutuck High School 194 Haight Road, Amenia NY, 12501

### **Pre Register:**

You do not need to commit to the event. This is to let you know this event is set. I will reach out again closer to the date.

### **Job Fair (10:00-10:30)**

Are you looking for part-time or full-time help (graduating seniors)? Recruit high school students who are looking for a job! Perform interviews and provide information about open positions. This is a great time to advertise summer or after school positions.

### **Why a Career Day?**

Many students leave high school to go to college or a job/career without knowing what they would really like to do. Having opportunities to see many different possibilities on how to make a living is key to successful employees. Being exposed to various types of professions as a high school student has been proven to increase success in finding career paths that interest them.

### **How does the morning look?**

Students will be able to sign up for three careers that they are interested in exploring and learning about. Students will attend a 25 minute session on each career.

You will have access to a screen and internet access for your presentation. You are encouraged to come prepared to discuss what it's like working in your profession, including but not limited to: education or training required, salary potential, and positive and negative aspects of the field. Bring whatever materials and/or visual aids you feel may be beneficial. You will have no more than 20 students in a session.

Thank you in advance for considering participating in this event. Help us shape the future workforce and inspire students to be excited about their future careers!
