

TOWN OF AMENIA WATER COMMITTEE
MINUTES OF JANUARY 10, 2024 MEETING

Present: William Flood (chairman), Tony Maillet, Judy Moran and Rosanna Hamm

The meeting was called to order at 6:10 p.m. Discussion about the appointment of VRI to provide temporary water district oversight was acknowledged. A list of information that the Water Committee would like to be provided by VRI was compiled, including:

- Water usage per month
- District maps (town hall?)
- Existing well capacity compared to water usage, and an opinion on whether more is needed
- Analysis of existing usage rates and recommendations for new rates, with consideration of a lower base amount (i.e., 1,000 gallons vs. 5,000 gallons) and higher rates for higher usage, especially for commercial properties
- Check properties included in district and any possible properties not receiving bills and/or service
- Long term supply and maintenance plan

Meeting adjourned at 6:55 p.m.
