2:00 pm

Amenia Town Hall

4988 Route 22

Amenia, NY 12501.

WITH AUTHOR,
CAROL CROSSED

The Amenia Historical Society is honored to welcome Carol Crossed, President and Founder of the Susan B. Anthony Birthplace Museum, for a commemoration of women's suffrage, particularly poignant in this election year. Crossed will deliver a distinctive presentation of 100-year-old suffrage postcards from a personal collection presented in her 2019 publication, "Vintage Tweets."

Crossed distinguishes the most widely circulated postcards featuring themes such as suffrage, abolition, and temperance, along with an in-depth exploration of the artists associated with this significant era.
