

# Earth Day

AT THE LIBRARY

**Saturday, April 26th 2-4 PM**

**Amenia Garden Club Presents**

2PM Lecture

**Backyard Birdscaping: How to Support  
Birds Year-Round Using Native Plants**

Find out how to feed birds throughout all four seasons, using native trees, shrubs, vines, and herbaceous plants!

Join Sharon Audubon Center's resident Naturalist, Bethany Sheffer, in an exploration of options for your backyard, garden, or estate.

Local environmental organizations will be there to provide information about the valuable resources and services they provide to our community.

**Tables by Local Environmental Organizations:**

Amenia Free Library, Amenia Garden Club, Cary Institute of Ecosystem Studies, Climate Smart Amenia, Conservation Advisory Council (CAC), Housatonic Valley Association (HVA), Sharon Audubon

**Plant Sale:** Litchfield & Greene Plant Sale
